

# HARTWORKSHD

## Wedding videography

We will come and capture your special day for **£700**. Depending on the locations we can start from either the bride's home or the venue of the ceremony up to and including the first dance.

This includes two people filming using a HD cameras. The edited version is approximately 30 minutes and is transferred onto a USB flashcard which is a HartworksHD exclusive.

We usually arrange to meet with you to confirm the booking at a time and place of your convenience.

**A £200 deposit is required (non-refundable).**

## Optional extras: Mini edit

Three minute edit of your special day; ideal for smart phones, tablets, email transfer and social networking sites **£150**.

## Uncut and unedited recording.

Unedited clips of the footage of your special day transferred onto USB stick; for when you have more time to watch the entire celebration **£150** (USB stick included in the price).

## Other videography work
